§ 1.2109

law judges to preside at the taking of written evidence. Such hearing will be conducted on an expedited basis.

§1.2109 License grant, denial, default, and disqualification.

- (a) Unless otherwise specified in these rules, auction winners are required to pay the balance of their winning bids in a lump sum within five (5) business days following award of the license. Grant of the license will be conditioned on full and timely payment of the winning bid.
- (b) If a winning bidder withdraws its bid after the Commission has declared competitive bidding closed or fails to remit the required down payment within five (5) business days after the commission has declared competitive bidding closed, the bidder will be deemed to have defaulted, its application will be dismissed, and it will be liable for the default penalty specified in §1.2104(g)(2). In such event, the Commission may either re-auction the license to existing or new applicants or offer it to the other highest bidders (in descending order) at their final bids. The down payment obligations set forth in §1.2107(b) will apply.
- (c) A winning bidder who is found unqualified to be a licensee, fails to remit the balance of its winning bid in a timely manner, or defaults or is disqualified for any reason after having made the required down payment, will be deemed to have defaulted and will be liable for the penalty set forth in §1.2104(g)(2). In such event, the Commission will conduct another auction for the license, affording new parties an opportunity to file applications for the license.
- (d) Bidders who are found to have violated the antitrust laws or the Commission's rules in connection with their participation in the competitive bidding process may be subject, in addition to any other applicable sanctions, to forfeiture of their upfront payment, down payment or full bid amount, and may be prohibited from participating in future auctions.

§1.2110 Designated entities.

(a) Designated entities are small businesses, businesses owned by mem-

bers of minority groups and/or women, and rural telephone companies.

- (b) Definitions.
- (1) Small businesses. The Commission will establish the definition of a small business on a service-specific basis, taking into consideration the characteristics and capital requirements of the particular service.
- (2) Businesses owned by members of minority groups and/or women. Unless otherwise provided in rules governing specific services, a business owned by members of minority groups and/or women is one in which minorities and/ or women who are U.S. citizens control the applicant, have at least 50.1 percent equity ownership and, in the case of a corporate applicant, a 50.1 percent voting interest. For applicants that are partnerships, every general partner either must be a minority and/or woman (or minorities and/or women) who are U.S. citizens and who individually or together own at least 50.1 percent of the partnership equity, or an entity that is 100 percent owned and controlled by minorities and/or women who are U.S. citizens. The interests of minorities and women are to be calculated on a fully-diluted basis; agreements such as stock options and convertible debentures shall be considered to have a present effect on the power to control an entity and shall be treated as if the rights thereunder already have been fully exercised. However, upon a demonstration that options or conversion rights held by non-controlling principals will not deprive the minority and female principals of a substantial financial stake in the venture or impair their rights to control the designated entity, a designated entity may seek a waiver of the requirement that the equity of the minority and female principals must be calculated on a fully-diluted basis. The term minority includes individuals of African American, Hispanic-surnamed, American Eskimo, Âleut, American Indian and Asian American extraction.
- (3) Rural telephone companies. A rural telephone company is any local exchange carrier including affiliates (as defined in 1.2110(b)(4)), with 100,000 access lines or fewer.
- (4) Affiliate. (i) An individual or entity is an affiliate of an applicant or of
